The image features a white background with several carnations and a small white flower. A large red carnation is in the top right, a smaller red one is on the left, a red bud is at the bottom center, and a small white flower is on the right. The lighting creates soft shadows of the flowers on the background.

Cost of Travel, Accomodations, and Food

FAQ's

How far in advance should we book?

12-18 months ahead of your date is the ideal time to book. This not only ensures that your date will still be available but also provides ample time for consultation, timeline creation, etc.

How many photos will we receive?

You will typically receive around 50 fully edited photos per hour of shooting. This can vary based on travel time, flow of the wedding, etc.

Can we have the unedited photos?

I do not provide the RAW or unedited photos as they are not an accurate representation of my work.

When will we receive our full gallery?

A full wedding gallery can take anywhere from 4-6 weeks to complete during the busy season. A sneak peak consisting of a handful of photos from your day will be sent out within 72 hours of your wedding.

Ready to book?

Glad you asked!

I am so excited to work with you! Please reach out to me via email and include the date of your wedding and which package you are leaning towards. I will reply within 24-48 hours to confirm if I am still available on your wedding day.

After confirmation, secure your booking by sending your non-refundable retainer of 25%.

Still unsure? Do not hesitate to send a message and I would love to answer all your questions!
